Thank you for taking time to give us feedback!

"2nd day ground rules"... there were people up/moving on Thursday who weren't part of team. My guess is they didn't know b/c they missed Wednesday AM?

I am still cluelers about using LessonWote Maybe a breakout session next year?

I liked that there were lesson choices each day, but regret that I had to decide not to see 4 of them.

Videographers PLEASE! (? then post!)

Please fill this out for us on your last day of attendance.

What were you hoping to gain from attending this conference? Did you gain it?

I Was hoping to gain concrete examples and real
experiences with uses on study from teachers who have gone
through this experience. And yes I have gained that with
How do you think you might use what you learned here? this conference.

I would use these experiences when
I go through a lesson study cycle
hert year with my course team.

What worked for your What didn't work?
The actual observations of a lesson study gave me for true
look into this practice and into the student voice and learning
and thinking that papans in a Demon study. There is not
anything these two dairs that did not work for me!
What would you say to someone who was considering whether to attend the conference next
year? I would tell this person - DO IT!!
