Total number of responses 49

Planning team member 30
Observer 19

Classroom teacher* 14  * Question was first introduced at the 4th research lesson, 12/13/18.
Other 3

Part I: Pedagogical impact

This experience deepened or strengthened my content knowledge.

Yes 42
No 7

This experience gave me an insight into lesson design or planning.

Yes 49
No 0

This experience gave me an insight into pedagogy (lesson execution).

Yes 47
No 2

This experience gave me an idea for something I can try in my classroom soon. (or, if you are not a classroom teacher: "...something I want to encourage other teachers to try.")

Yes 47
No 2
Part II: Feelings about Lesson Study

The way I feel about participating in lesson study by planning a research lesson is…
(or, if you are an administrator or coach, "…by supporting a planning team is...")

This experience changed my attitude toward lesson study…
